School Accountability Report Card Reported Using Data from the 2018—19 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019—20)

Etna Elementary, established in 1859 has consistently been a leader in academic achievement. The school features a variety of academic programs to foster interests of all students including rigorous academic settings, a multi-faceted theatre arts program, hands-on science, and an outdoor learning center. Classroom teachers work diligently to design lessons aligned with common core standards while preserving high student interest and engagement. The library/media center is equipped to meet the research needs for students as they dive into project based learning. Additionally, the school is on the cutting edge of technology, prepared with a mobile computer lab (1:1 grades 3-5 and shared grades 1-2); a fully equipped media center, in class devices, and a variety of educational software to keep students hands on the devices they need to prepare them for the age in which we live.

School Facility Conditions and Planned Improvements

The school facilities have been maintained in accordance with the five-year deferred maintenance plan. The Fire Marshall, the Occupational Safety & Health Administration (OSHA), and our liability insurance agency regularly inspect the school. Careful and prompt attention is paid to all recommendations for improvement as deemed by these entities. Etna Elementary is on the Modernization funding list and will be making some improvements to the school which may include fire alarm system update, a new exterior ramp, walkway and retaining wall, new accessible parking spaces, new accessible double doors and a single use bathroom in the front hallway.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in ELA and Mathematics for All Students
Grades Three through Eight and Grade Eleven
Percentage of Students Meeting or Exceeding the State Standard**

| Subject | School 2017–18 | School 2018–19 | District 2017–18 | District 2018–19 | State 2017–18 | State 2018–19 |
|--|-------------------|-------------------|---------------------|---------------------|------------------|------------------|
| English Language Arts / Literacy (grades 3-8 and 11) | 44% | 32% | 48% | 50% | 50.0% | 50.0% |
| Mathematics (grades 3-8 and 11) | 40% | 39% | 48% | 48% | 38.0% | 39.0% |

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019—20)

Parental involvement is a hallmark of Etna Elementary School. These scheduled volunteers support with everything from reading groups and aid in teacher preparation, to the orchestration of school wide activities that support student learning and a positive school culture. Just a few opportunities for parents include participation in the PTO, Site Council, classroom support, field trip group leaders and SAFE volunteers. Parents' input is solicited in a variety of fashions including take home surveys, site council participation and an open door and ear from site administration.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

| Indicator | School 2015–16 | District 2015–16 | State 2015–16 |

School Safety Plan (School Year 2019—20)

Etna Elementary School provides a safe, clean environment for students, staff, and volunteers. A team of custodians ensures classrooms, restrooms, and campus grounds are kept clean and safe. A scheduled maintenance program is administered by the Scott Valley Unified School District to ensure that all classrooms and facilities are well maintained. The school is in compliance with laws, rules and regulations pertaining to hazardous materials and state earthquake standards. The school's Disaster Preparedness Plan includes steps for ensuring student and staff safety during a disaster and is coordinated with community services agencies. Fire and disaster drills are conducted on a regular basis throughout the school year. Members of the Safety Plan Committee revise the School Site Safety Plan annually.
