## Rolling drop off:

**For the safety of all students as they arrive on campus.**

Please remember we have a rolling drop-off. Please have your student remain in the car until you are the first car in the yellow drop-off zone. Then have your student exit on the right side of the vehicle. If you would like to walk your student into the building, you will need to park in a designated parking spot.

Thank you for helping us keep our Bulldogs safe.
