

COVID-19

Student Daily Home Screening

Parents: Please check for signs and symptoms each morning before your child boards the bus or/and leaves for school.

Section 1: Symptoms

These symptoms indicate a possible illness that may decrease the student's ability to learn and also put them at risk for spreading illness to other. Please check your child for these symptoms:

<input type="checkbox"/>	Temperature 100.4 degrees Fahrenheit or higher
<input type="checkbox"/>	Sore throat
<input type="checkbox"/>	New uncontrolled cough that causes difficulty breathing (for students with chronic allergic/asthmatic cough, a change in their cough from baseline)
<input type="checkbox"/>	Diarrhea, vomiting, or abdominal pain
<input type="checkbox"/>	New onset of severe headache, especially with fever

Section 2: Close Contact/Potential Exposure

<input type="checkbox"/>	Had close contact (within 6 feet of an infected person for at least 15 minutes) with a person confirmed COVID-19
--------------------------	--

Any student or school staff member with a temperature of 100.4 °F or greater, regardless of other symptoms will be excluded from the school site until they either present proof of a negative COVID 19 test, or 10 days have passed since the fever or other symptoms began, and at least 3 days have passed without a fever (without the use of fever reducing medications) and respiratory symptoms (coughing, shortness of breath) have resolved. Notify your school and stay home.
