2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Overview

Fort Jones Elementary is a comprehensive K-5 school with an onsite state preschool which serves approximately 160 students. We are part of a small, rural, community in Northern California with a population of approximately 660. Fort Jones is nestled in beautiful Scott Valley and is surrounded by mountains, lakes, and forests. Employment consists of farming, numerous cottage industries, small-scale logging, Scott Valley Unified School District, California Department of Fish and Wildlife, Calfire and the U.S. Forest Service. We are a part of the Scott Valley Unified School District and are one of two feeder schools to the junior high school. Our district also houses a high school, continuation school, and a long-term independent study program, in addition to a state preschool, two elementary schools, and one junior high school. The Mission of Fort Jones Elementary, in partnership with students, parents, staff and community, is to provide each student with: An approved state adopted CCSS curriculum, challenging goals, timely, effective feedback, and a safe, friendly, and professional learning environment. We have high academic standards and an extremely supportive learning environment. FJE was named a California Distinguished School in 2006, a California Honor Roll School in 2016 and 2018, and our state preschool is a Golden Bell Award winner. Preschool jump starts the education of students entering Transitional Kindergarten or Kindergarten, and promotes early identification of students with special needs. By becoming a School-Wide Title 1 school, we are able to better address the needs of our students. Between our Title 1 and RSP services, we are able to offer differentiated instruction time to each student on a daily basis. These targeted interventions directly impact student achievement. Fort Jones Elementary School employs a full-time administrator, a certificated staff of seven full time classroom teachers, a full time Social Emotional Learning teacher, a part time Science Instructor and share a full-time music teacher between the two elementary schools. The classified staff includes a full-time maintenance/custodian, a full-time custodian, a full-time cook and two part-time cook's assistants, a part-time library/media/computer technician, a full-time secretary, four full-time classroom paraprofessionals, two full-time specialized student support paraprofessionals, and one full-time resource specialist paraprofessional. In addition, the school receives part-time services from a Speech Pathologist, Part time Special Education Services, and Psychological Specialists provided by the Siskiyou County Office of Education. FJES's after school program BASS (Bulldog After School Studies) employs a site coordinator, several part time paraprofessional, as well as other enrichment instructors. Our dedicated staff works extremely hard to implement all aspects of the state's standards-based educational system. They are dedicated to the belief that all children will and can achieve. All staff are appreciated and valued by a community that entrusts their children's education to Fort Jones Elementary School.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

| Subject | School 2020-21 | School 2021-22 | District 2020-21 | District 2021-22 | State 2020-21 | State 2021-22 |
|--|----------------|----------------|------------------|------------------|---------------|---------------|
| English Language Arts/Literacy (grades 3-8 and 11) | N/A | 60 | N/A | 49 | N/A | 47 |
| Mathematics (grades 3-8 and 11) | N/A | 35 | N/A | 35 | N/A | 33 |

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

| CAASPP Student Groups | CAASPP Total Enrollment | CAASPP Number Tested | CAASPP Percent Tested | CAASPP Percent Not Tested | CAASPP Percent Met or Exceeded |

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

Parental involvement is a strong component of Fort Jones Elementary School. This year we have worked hard to implement educational events, community outreach activities, and social emotional community activities to help connect our community with our students and staff in a variety of ways. Parents are invited to be a part of the PTO program, Site Council, classroom volunteers, attend school wide events, and help with community events sponsored by the school. Parents and community members also stay connected with students and staff through a variety of social media posts, yearly school performances, parent educational nights, and community partnership events.

2021-22 Chronic Absenteeism by Student Group

| Student Group | Cumulative Enrollment | Chronic Absenteeism Eligible Enrollment | Chronic Absenteeism Count | Chronic Absenteeism Rate |

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

| Subject | School 2019-20 | District 2019-20 | State 2019-20 |
|-------------|----------------|------------------|---------------|
| Suspensions | 0.57 | 4.69 | 2.45 |
| Expulsions | 0.00 | 0.00 | 0.05 |

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

2022-23 School Safety Plan

Fort Jones Elementary School provides a safe, clean environment for students, staff, and volunteers. A team of custodians and maintenance personnel ensures classrooms, restrooms, and campus grounds are kept clean and safe. A scheduled maintenance program is administered by the Scott Valley Unified School District to ensure that all classrooms and facilities are well maintained. The school is in compliance with laws, rules and regulations pertaining to hazardous materials and state earthquake standards. The school's Disaster Preparedness Plan includes steps for ensuring student and staff safety during a disaster and is coordinated with community services agencies. Fire and disaster drills are conducted on a regular basis throughout the school year. Members of the Safety Plan Committee revise the School Site Safety Plan annually.
